

BIORISM™ REZWELL ANTI-INSOMNIA

PRODUCT FACT SHEET

PRODUCT DESCRIPTION:

REZWELL by BIORISM™ is a natural sleep aid designed to address insomnia, pain management, and mood stabilization. Our unique blend of natural ingredients and cannabinoids promotes a calming and relaxing sleep experience, helping users achieve better sleep quality and overall well-being.

Our formula contains CBD (minus the THC component) making it a proven natural remedy to soothe the mind and improve the health of the body.

THC (tetrahydrocannabinol) is the main psychoactive compound in marijuana that makes people feel "high." With THC extracted ReZWell does not have any addictive or recreational drug qualities and is completely safe.

By improving the quality of your sleep, REZWELL ANTI-INSOMNIA can help to improve your overall health and well-being and provide the energy and motivation needed to tackle the day ahead.

In addition to addressing insomnia, our product is also effective for pain management, mood stabilization, and ADHD. The natural ingredients in our formula work together to provide relief from pain and help stabilize mood, while CBD has been shown to have a positive effect on focus and attention.

We've also found that REZWELL is beneficial for calming nervous and agitated dogs. Simply apply the product to your dog's bedding or collar to help soothe them and promote a sense of calm.

With its versatile textile solution that can be applied to any textile, including bedding, pyjamas, and sleepwear, REZWELL ANTI-INSOMNIA is a simple and effective solution for better sleep, pain management, mood stabilization, and focus, as well as for calming nervous and agitated dogs. Try REZWELL today and experience the benefits of a restful night's sleep and improved overall well-being.

NOTE: **Nanotechnology** is science, engineering, and technology conducted at the nanoscale, which is about 1 to 100 nanometers. Nanoscience and nanotechnology are the study and application of extremely small things and can be used across all the other science fields, such as chemistry, biology, physics, materials science, and engineering." - NANO.GOV

BIORISM™ REZWELL ANTI-INSOMNIA
